CONNEXT/**BIZ**

CONNEXT/**BIZ**

Giving every Filipino community an opportunity to be secured and provide a livelihood that will be beneficial to each family, Connext Biz has the vital role in reaching every Filipino and become a household staple when it comes to insurance needs. It also aims to provide business opportunities to middle-income Filipinos and overseas Filipino workers who wish to stay with their families for good.

Insurance is considered more of liability than an asset by most of the Filipinos which explains low penetration though the insurance industry in the Philippines has been around for over a century and it is most needed today.
